Dear Peter,

This is great news. There are a number of things I would like to discuss with you.

Let me know when it is most convenient for you to meet. You may be busy with the Monograph. It could be easier once the Monograph is finished, on the 11th ?

I would also be happy to share dinner with you one evening.

You could also give a seminar if time allows and if a meeting room is available.

With best regards,

Augustin

Hello Augustin,

It was a pleasure to meet you back in July in Lugano at the ICCA-JRC workshop. I will be at IARC next week (3 to 11 March) working on a monograph (112) and hope to be able to meet up with you.

Best regards,

Peter
